GREAT PLAINS FLY-IN 2025

A great welcome awaits you at Ashburton from Friday 6th February 2025. In fact if you feel inclined to come a day or two earlier we will look after you.

As many are aware the Ashburton Aviation Museum is the prime provider of facilities and food.

Ashburton Airfield

Our airfield is outside is an *Uncontrolled Airfield*.

Good airmanship requires: A standard overhead join. All circuits left hand. Maintain a good lookout. Remember your R/T calls are not enough. There will be Nordo traffic. There will not be any parachutists operating from the airfield.

Accommodation

You are responsible for making your own bookings. If you wish to camp on field (not actually a camping ground!) we have a suitable area and or building. Showers and toilets available. Breakfast and all meals available on field.

Transport to Ashburton

Over the period of the Fly-In there will be a shuttle van available at suitable times either to take you into town or to bring you out again, a ***GOLD COIN*** donation please.

Partners Programme ...

If sufficient interest is forthcoming, there will be a program presented which should be of interest to the partners attending. This might include such items as local gardens, arts and crafts, museum and Art Gallery, some local sightseeing, and so forth. Of course there would need to be a charge for this to cover costs incurred. If you are interested in joining this group please indicate numbers on the registration form.

Seminars

There will be four seminars that will be run at different times over the Saturday and Sunday mornings.

NO TURNING PROPELLORS IN THE PUBLIC AREA
